REPORT ON AWARENESS LECTURE ON JOB OPPORTUNITIES AND ENTREPRENEURSHIP

Organized by: Placement Cell, Government National College, Sirsa

The **Placement Cell, Government National College, Sirsa**, organized an **Awareness Lecture on "Job Opportunities and Entrepreneurship"** on **9 September 2026 at 11:00 AM** at Government National College, Sirsa. The lecture was delivered by **Mr. Raman Soni, Director, De-Facto Institute, Sirsa**, who was invited to guide and motivate students regarding various career and employment opportunities.

The main objective of the lecture was to create awareness among students about **competitive examinations, government job opportunities, effective examination preparation, and career planning**. The session also aimed to encourage students to adopt a focused and systematic approach towards their career goals.

Participation

A total of **63 students** actively participated in the lecture. The students showed keen interest throughout the session and interacted with the resource person to gain a better understanding of various competitive examinations and career opportunities.

Key Highlights of the Lecture

During the lecture, **Mr. Raman Soni** provided valuable and practical guidance on a number of important career-related areas, including:

- Detailed information about **SSC, CGL, Banking examinations**, and other major competitive examinations.
- Awareness regarding the **eligibility criteria and career opportunities** associated with various examinations.
- Explanation of the **syllabus, examination pattern, and level of preparation** required for different competitive exams.
- Guidance on **how to prepare effectively and systematically** for competitive examinations.
- Discussion on the importance of **regular study, proper planning, time management, revision, and practice**.
- Suggestions regarding strategies to **crack competitive examinations** and improve performance.
- The resource person shared the **success records of various former students** who had cleared competitive examinations and are presently serving at **good and respectable positions**.

- These real-life examples served as a source of **motivation and encouragement** for the participating students.
- Students were encouraged to identify their strengths, select suitable career options, and work consistently towards their goals.

The lecture provided students with a clearer understanding of the competitive examination ecosystem and the preparation required to succeed. The sharing of experiences and success stories of earlier students made the session particularly motivating and relatable.

The programme was conducted under the guidance and coordination of **Dr. Vivek Goyal, In-charge, Placement Cell**. The Placement Cell members, **Ms. Manju Mehta, Mr. Amandeep, and Ms. Saroj Rani**, actively supported the organization and smooth conduct of the lecture.

The awareness lecture proved to be **highly informative, interactive, and beneficial** for the students. It helped participants understand various avenues available through **SSC, CGL, Banking, and other competitive examinations**, along with the syllabus, examination pattern, preparation requirements, and strategies for success.

The success stories of former students who have cleared such examinations and are now working at reputed positions further inspired the participants to pursue their career goals with **confidence, discipline, and determination**.

The Placement Cell, Government National College, Sirsa, remains committed to organizing such **career-awareness, guidance, and skill-development programmes** to equip students with the knowledge and confidence required to make informed career choices.
