REPORT ON DISTRICT LEVEL MEGA JOB FAIR, 2026

Organized by: District Employment Office, Sirsa in collaboration with Government Industrial Training Institute (ITI), Sirsa

Date of Event: 16th October 2026
Venue: Government ITI, Sirsa

Facilitator for GNC Students: Placement Cell, Government National College, Sirsa

1. Introduction

To bridge the gap between aspiring job seekers and potential employers, the District Employment Office, Sirsa, in collaboration with the Government Industrial Training Institute (ITI), Sirsa, organized a District Level Mega Job Fair. The event aimed to provide a platform for the youth of the district to explore employment opportunities and secure placements in various reputed companies.

2. Role of the Placement Cell, Government National College (GNC), Sirsa

The Placement Cell of Government National College, Sirsa, played a proactive role in mobilizing students for this mega event. To facilitate smooth participation, the cell circulated a Google Form for student registration. The response from the student community was encouraging, with a total of 54 students registering for the job fair.

3. Student Participation

Out of the 54 students who registered through the Placement Cell, a total of 16 students actively participated in the job fair held at ITI, Sirsa. The students attended the event with the objective of exploring career prospects and securing employment to build a better future.

4. Event Highlights

The Mega Job Fair featured participation from various private and government sectors, offering diverse roles across different industries. Students had the opportunity to:

- Interact directly with recruiters.
- Understand the current industry requirements and expectations.
- Participate in on-the-spot interviews.
- Gain exposure to the professional recruitment process.

5. Outcome and Conclusion

The initiative by the District Employment Office and ITI Sirsa proved to be highly beneficial for the students of GNC Sirsa. The participation of 16 students reflects the active engagement of the college's Placement Cell in facilitating career opportunities.

This job fair served as a valuable interface between education and industry, providing students with a realistic understanding of the job market and a platform to kickstart their professional journeys. Prepared by: Placement Cell Government National College, Sirsa
